

A Note from the Andrews Family

October 16, 2026

Dear Friends of Trothe,

From the beginning, Trothe has been about more than exceptional wines. It has been about the people, the land, relationships, and shared experiences that make enjoying great wine so special. Many of you have been part of our journey from the start, and I am incredibly grateful for your continued friendship and support.

To bring the Trothe experience closer to many of you, we are partnering with the iconic Chateau Ste. Michelle to establish a dedicated, private Trothe tasting destination on their historic grounds in Woodinville, opening toward the end of 2026. This collaboration is rooted in a shared vision and deep commitment to showcasing the pinnacle of Washington wine—pairing our uncompromising, small-lot winemaking with a world-class guest experience.

By bringing a piece of the Horse Heaven Hills directly to Western Washington, this space will allow us to welcome you more frequently, offer broader tasting experiences, and share special library vintages in a central, easily accessible setting.

This partnership opens an exciting new hospitality chapter, yet our core remains untouched. Our vineyards in the Horse Heaven Hills, our winemaking, and our family stewardship remain independent. While our hospitality team will include new faces, the personal relationships we've built with each of you remain at the very heart of what we do. We look forward to creating special events and intimate tastings where our winemaker and I can connect with you in person.

Even as our setting evolves, our passion for exceptional wine and meaningful connections remains unchanged.

Thank you for being such an important part of the Trothe story. I look forward to raising a glass with you as we begin this exciting new chapter together.

Best regards,
Jeff Andrews
